

Roster Sign Template Guide and Tips

- Always supply with 10mm bleed on all sides
- If using directional arrows please supply 2 pages with the arrow reversed

- For accurate colour matching please supply PMS colours. (Inform clockwork which PMS colours are used when ordering job)
- Artwork can be supplied in CMYK or RGB, do not use both
- For crisp black use 100% Black. Rich Black is not needed and any other additives to CMY will may result in an undesirable result.
- Supply artwork as a pdf with crop marks and bleed turned on.
